SERIES DESCRIPTIONS

Series 4: Reports of Committees. - 1957-1991. - .73m of textual records.

There are two types of committees within the PEITF. An Ad Hoc or Special Committee is appointed by the executive to do a special piece of work. A Standing Committee is appointed to undertake work for a period of time in a particular field of study. The number of standing committees within the PEITF at any given time fluctuates.

The committee reports, except for the years 1970-1972, are documented separately. There are many special committees which lasted for only a few years. The reports of other committees, such as the Education Finance, Professional Development, Economic Welfare, Teacher Education, and the Annual Convention Planning Committee are quite extensive. The Reports contain to a large extent the minutes of meetings, reports presented to the annual BOG meetings, and occasionally financial statements. The following committees are organized chronologically.

SERIES DESCRIPTIONS

Series 6: Area and Local Association Records. - 1919-1985. - .455m of textual records.

Prior to the consolidation of elementary schools on PEI in the 1960s, Local Associations existed throughout PEI, who elected members that would represent their area at the provincial level. After consolidation and the establishment of four provincial school boards in the 1970s, the PEITF restructured their local associations to form five Area Associations, which would parallel the newly formed school boards. After meeting at the local level, representatives of the both Area and Local Associations reported to the annual BOG meetings.

This series contains minutes and correspondence of the Charlottetown, Tignish, O'Leary, Mt. Stewart, Summerside, Souris, Hunter River, and Kensington Local Associations. The minutes of the Area 2 and Area 5 Association meetings are sometimes combined throughout 1975 to 1983, in which case the records are located in the Area 2 Association files. The Summerside Local association records also contains the minutes of the East Prince Teachers Federation from 1957 to 1960.
